Minutes

Note: CA stands for Church Action needed.

Present Rev Sonia Hicks plus 3 other ministers, 4 Circuit Stewards, and 24 other members as listed in the register of attendees. Apologies from 15 members noted there.

Agenda Agreed as distributed plus:

- Under item 5:
 - Report on Inter Circuit meeting
 - Proposal to appoint an Acting Superintendent to cover sabbatical
- Proposal from Colnbrook and Poyle Church Meeting
- Under AOB:
 - Assignment of three staff members to each Church Council 2015/16
 - Circuit Representatives to local Anglican Deaneries

Minutes of last meeting were agreed subject to the following amendment:
Greetings to *Betty Willcocks*.

Matters Arising

- The innovation of marking items **CA for Church Action**. This was welcomed and a request made for an extract of these to be sent to each Church Council Secretary to ensure all points were actioned.
- A proposal to appoint Mrs Glenice White, a member at High Street Maidenhead, to be a **Circuit Steward** from 1st September 2015 was carried unanimously.
- The **Circuit Stewards** responsible for each Church Council from September were then agreed as listed in Appendix 1.
- **Colnbrook and Poyle United Church** has not yet received a reply to the proposal from the URC but had ascertained that, should they revert to being a Methodist Church, a new legal share agreement would be needed to reflect the URC finance in the building.
- **New Circuit Directory** Anne Haggarty will be contacting Church Council Secretaries for details of office holders and reminding them of the legal obligation to check with each one for their agreement for their details to be published in this document – **CA**.

Safeguarding

Kathy Rickman (KR) reported that three people had attended the March *Creating Safer Spaces* session. The next one will be held on Saturday, 3rd October, 10 am - 1 pm at Eton Wick. Please ensure that all who need to attend a session do so, or contact Kathy to arrange an alternative date – **CA**.

KR will be attending the June meeting for Circuit Safeguarding Officers.

She confirmed that contractors working on church premises are not required to have been checked by the Disclosure and Barring Service (DBS). DBS checks should be done every 5 years and KR has more forms for this – **CA**.

Travelling in Hope

A booklet is available from Rev Sonia Hicks on the four week themed lectionary just completed on Hope:

- Hope in despair,
- Hope in the ordinary,
- Hope in companionship, and
- Hope in God's presence.

The session for any week missed can be used in a local church (perhaps as a Local Arrangement).

Challenge to use Deacon Andy Packer from 1st September 2015.

Churches outside Slough are expected to invite Andy to explore possibilities with them via their Church Council meetings. Old Windsor has invited him to explore more effective ministry to the very elderly – **CA**.

Inter Circuit Meeting

On 30th April four members of the Circuit Leadership Team met with representatives from the Staines and Feltham Circuit (SF) as part of an initiative of the South East District Western Area to encourage neighbouring circuits to work more closely together. At the end of the morning, our offer was to hold two joint events so that we could build a relationship and review progress after twelve months. SF have 200 members in ten churches, the largest having 70 members. Ideas for suitable events should be given to Rev Sonia Hicks or Mrs Connie Jeffery – **CA**. A joint Quiet Day was suggested.

Meanwhile Woking and Walton Circuit had progressed plans to join with Guildford Circuit.

Sabbatical of Superintendent.

Rev Sonia Hicks is to take her delayed sabbatical in December 2015, January, February 2016. The Acting Superintendent in this period was agreed as Rev Gary Homewood.

Local Preachers on Trial

Liz Tottingham, Kay Mackenzie and Tim Baker have completed their studies and are waiting for the results of their final pieces of work. The Circuit Meeting voted unanimously to accept their accreditation *subject to* the Local Preachers Meeting, having seen the results and interviewed them successfully, likewise agreeing.

A Local Preachers accreditation service is planned for 12th July, 6.30 pm at St Andrew's. All are encouraged to support this unique event in the life of the Circuit – **CA**.

Mission Reports

St Mark's Crescent has raised £4000 since our last meeting for their redevelopment project. They reminded churches to publicise signing up for TheGivingMachine.co.uk so that St Mark's Crescent Methodist Church receives a donation every time a purchase is made on the internet, at no extra cost – **CA**.

They are reaching out to older solitary people who spend too much of their time alone.

The Spring Fair was opened by the local school choir, and also raised £400 for street children in Kenya.

Woodlands Park continues to present *Open the Book* (OtB) sessions in school.

Cookham Rise are reaching out to the Under 5s, and are continuing their monthly coffee mornings for various charities as well as six months fundraising for a particular charity each year.

Ledgers Road food bank work continues. They are reconsidering the format of their coffee mornings.

High Street have introduced sandwich lunches on alternate Fridays to complement their fortnightly cooked lunches. For a second winter, shelter has been provided for 12 or more homeless men and women. This has proved to be an itinerant population, and in at least two cases there is evidence of turnaround.

Hampshire Avenue now have a biweekly Bible Fellowship and are about to start a food bank. Helpers will be welcomed at their annual spring clean!

Windsor are embarking on fundraising for *All We Can's* support for Ebola survivors. Windsor's 5-year vision includes reaching out to the very elderly. They have run an Alpha course on a Sunday; the next will be held on a weeknight. Their *Messy Church* is 5 times a year, excluding summer months, and attracts about 90 people on a Saturday from 3.45 pm.

Eton Wick have good evening service attendance, but are concerned about that in the morning.

St Andrew's English are supporting Christian Aid and Water Aid. They hold creative craft sessions on Tuesdays, and are involving the community in fundraising for a new boiler. They have hosted an *All We Can* speaker from Ethiopia, held a weekly night shelter, and continue monthly *Big Church*.

Old Windsor have an enthusiastic OtB group and offer their church to head up *Action for Children* in the Circuit. Profit from a Traveller's Tales was sent to a Leprosy hospital flattened in the recent earthquake.

Burnham presents OtB twice on Thursdays. Families from the Toddlers group have come into the church. They plan a Messy Church on 7th June, and have a weekly lunch club and *The Well* on Wednesdays.

Colnbrook and Poyle, instead of holding a local arrangement, joined with Old Windsor for their service. Very successful.

Property

Phil Clack reported that work to update the bathroom at Priesthaus had been completed.

Circuit Property Consent was given to Woodlands Park Church to re-let *Strathclyde*, and to Ledgers Road Church to re-let *92 Ledgers Road*.

Collection

There will be a collection for Rev Andrew Baker's farewell gift from the Circuit. A message had been sent out and members were reminded that any cheques payable to Thames Valley Methodist Circuit should reach Chris Wren by 14th June – **CA**.

Magna Carta Weekend

Rev Margaret Dudley was thanked for representing the circuit on the committee. See Appendix 2 for details of events. Photos of the River Relay for the Circuit website to Ian Haggarty please – **CA**.
